

## A Prison Uniform made from a white T-Shirt with black Stripes

This prison uniform is made by painting black stripes onto a white T-Shirt using Textile Solid fabric paint. Masking tape is used for masking to paint the stripes uniformly across the T-Shirt.

**1.**

Place a T-Shirt on a piece of plastic and also put a piece of plastic inside the T-shirt, protecting the back in order to avoid smudging. Attach masking tape at intervals so that the white stripes and the intended black stripes are equal width.

**2.**

Use black Textile Solid fabric paint for painting the stripes across between the masking. Leave to dry.

### 3.

Remove the masking tape and the plastic. Fix the decoration with an iron, placing a piece of baking paper between the fabric and the iron when fixing it.
