

Summery Table Decorations, decorated Boxes & artificial Cake Pops

This red, pink and lime table decoration consists of artificial popcakes made from red-painted cotton balls with white-painted dots and a construction straw for the stick. The table decoration also consists of boxes decorated with wooden flowers.

Inspiration: 13991

1.

Paint cotton balls with red Plus Color craft paint and leave to dry.

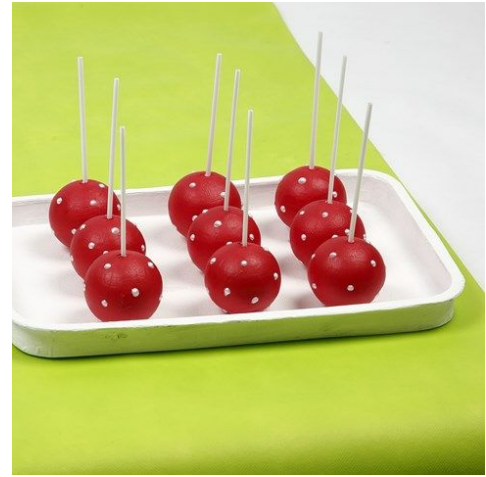

2.

Make white dots on the red balls with a Pearl Pen. A TIP: Use a flower stick for holding each ball when painting. Leave the balls to dry on the wooden stick and replace this with a construction straw.

3.

Assemble the boxes and decorate them with wooden flowers attached with 3D foam pads.
