

## Wooden Candle Holders with Glass Mosaic

These candle holders in different heights are painted white. When dry, they are decorated with glass mosaic fragments which are glued on. Details are made with opaque glass and porcelain markers.

**Inspiration: 14197**

**1**

Paint the candle holder with white Plus Color craft paint and leave to dry.

**2**

Glue small glass mosaic fragments onto the candle holder using your imagination. Leave to dry.

### 3

Use opaque glass and porcelain markers for drawing details according to your taste.
