

A painted Bird Feeding House decorated with wooden Discs

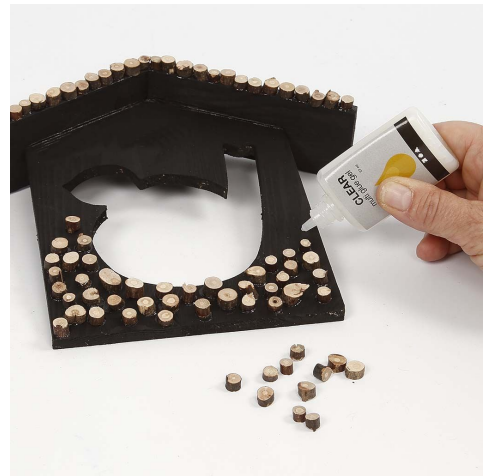

This bird feeding house is painted with Plus Color craft paint. When dry, it is decorated with small glued-on wooden discs. Text is written with a Uni Posca marker.

Inspiration: 14200

1

Paint the bird feeding house with Plus Color craft paint and leave to dry.

2

Use Multi Glue gel for glueing small wooden discs onto the bird feeding house and leave to dry.

3

Write text with a Uni Posca marker according to your taste and leave to dry.

4

Varnish the finished bird feeding house all over with weather resistant lacquer in order to protect it against the weather. Leave to dry.
