

## A free standing Tree with branded and painted Details

This leaf bearing tree is decorated with details branded into the wood using a Pyrography tool. It is then painted with diluted Plus Color craft paint.

**Inspiration: 14304**

**1**

Use a Pyrography tool for burning graphics according to your taste.

**2**

Paint the tree according to your taste with a round brush and Plus Color craft paint which is slightly diluted with water. Leave to dry.
