

Cut-out hanging Decorations from self-hardening Clay

These hanging decorations in white macramé cord are made from self-hardening clay, rolled flat and decorated with lace imprints. Shape cutters are used to cut out each shape.

Inspiration: 14249

1.

Roll out the clay until it is nearly flat. Place a lace border on top and roll until the clay has the desired thickness.

2.

Cut out the shape with a shape cutter.

3.

Remove the waste.

4.

Make a hole with a flower stick or a pointed tool. Leave to dry and tie a white piece of macramé cord in the hole.
