

A miniature Washing Line with the Elf's Clothes

The clothes are cut from felt using a template and easily put together with double-sided tape. They are hung with small pegs onto a cord between two (2) sticks, each of which is on a stand.

1.

Print and cut out the parts from the template which is available as a separate PDF file for this idea. Draw the cut-out parts (from the template) onto felt and cut out.

2.

Attach the fronts and the backs to together with double-sided adhesive tape.

3.

Washing line: use a mitre cutter for cutting the two sticks into equal lengths.

4.

Push each stick into the stand and tie the cord onto the top of each of them. Now hang the washing with small clothes pegs.
