

## Paper Dolls and Clothes made from Card

These dolls and their clothes are made from patterned and plain Colortime card using a template. Pipe cleaners are stapled on for hair. Small decorative items are glued on. Details are drawn with marker pens and colouring pencils.

**Inspiration: 14314**

### 1.

Print and cut out the templates which are available as a separate PDF file for this idea. Copy them onto plain or patterned Colortime card to make paper dolls or clothes and cut out.

### 2.

Cut pipe cleaners into suitable pieces for hair and attach using a stapler. Attach clothes etc. with a glue stick. A TIP: If you wish to dress and undress the paper doll, use Power Tack for attaching the clothes, rather than glue.

**3.**

Attach small decorative items using Clear Multi Glue Gel. Use marker pens or colouring pencils for details.
