

## A Papier-Mâché House covered with Foam Clay in imaginative Patterns

A small papier-mâché house decorated with Foam Clay in different colours which is pushed on in imaginative patterns.

Inspiration: 14474

**1**

Roll the different colours of Foam Clay into flat, different sizes using a rolling pin.

**2**

Cut the pieces to shape according to your taste (here rectangular) and push them onto the house until it is completely covered.

### 3

Roll out and shape decorations and details from Foam Clay using your your fingers. Push them onto the covered house.
