

## Glass Plate hanging Decorations decorated with Prints, Text and Graphics

These glass plates are decorated on the back with a glued-on print and then painted with A-Color Glass paint. Text and graphics are added to the front with a glass and porcelain marker and a piece of thick cotton yarn is attached for hanging.

**1**

Print a photo and apply decoupage lacquer to the front. Attach the photo to the back of the glass plate and leave to dry.

**2**

Using a foam stencil brush, dab A-Color Glass paint all over the back of the glass plate where the photo is attached. Leave to dry.

**3**

Use a glass and porcelain marker for writing and drawing on the front of the glass plate according to your imagination.

**4**

A TIP: Apply decoupage lacquer to the painted back of the glass plate to seal and protect it. Leave to dry and attach a piece of cotton yarn for hanging.
