1

Flower: Print the template for a flower in two sizes each consisting of two parts. (The sheet with the templates is available as a separate pdf-file for this idea). Cut out the designs and attach them onto card in different colours. Cut out.

2

Glue together the two parts for each flower as shown and glue a pom-pom onto the middle using Clear Multi Glue gel. Leave to dry and, in the meantime, wrap the present.

3

Tie cotton yarn or ribbon around the present and glue on the flower, for example, where the cords or ribbon cross each other.
