1

Use your imagination and draw two different sized flowers on a different piece of leather. Cut out and place the two flowers together.

2

Thread a cross stitch needle and tie a knot at the end, giving a double thread.

3

Feed the needle through the hole in the hair clip and then through the two flowers with a wooden bead in the middle and then back again. Repeat approx. 4-5 times.

4

Finish with a knot. Secure the end.
