

## Painted Owls decorated with wooden Buttons

The edges on the large and the small free-standing wooden owls are painted with Plus Color craft paint. They are then decorated with wooden buttons which are painted with the same paint and then glued on.

Inspiration: 14636

**1**

Paint the edges on both owls with Plus Color craft paint, the beak on the large owl and a handful of wooden buttons for decoration for later. Leave to dry.

**2**

Attach the buttons according to your taste using Clear Multi Glue Gel. Leave to dry.
