

## A wooden Hook with faux Leather Paper Straps

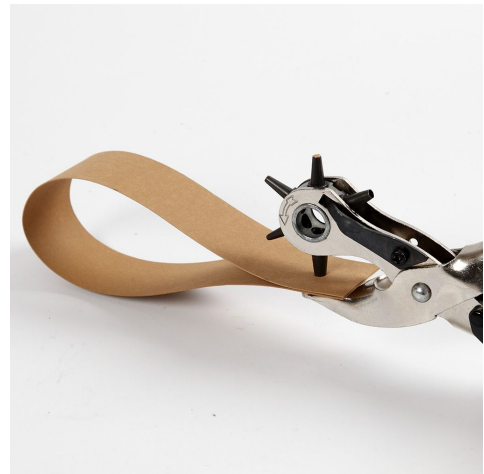

A wooden hook with faux leather paper straps decorated with stars made with a textile marker.

Inspiration: 14861

**1**

Cut one 3.5 x 38 cm faux leather paper strip per hook.

**2**

Make holes in the faux leather paper for the hook's screws.

**3**

Slide the strap onto the screw and draw the outline on the faux leather paper as illustrated in the photo. Trim the strap so that it is flush with the hook.

**4**

Draw stars with a textile marker.

**5**

Slide the strap onto the screw and screw all the way in.
