

Decorating Bags made from faux Leather Paper

The faux leather paper shoulder bag and tablet pouch are decorated with a black faux leather paper star and letters written using a template and a textile marker.

Inspiration: 14862

1

Cut out a star from black faux leather paper using the template.

2

Slowly and carefully stitch along the edge using a sewing machine.

3

Remove the protective backing paper from the foil, place the star on top and cut out. Remove the other backing paper and stick the star onto the bag.

4

Place the template on top of the bag and copy letters with a textile marker.
