

Greeting Cards with laced Card Designs

A greeting card decorated with card lace pattern and French card.

Inspiration: 14814

1

Cut out a page from the booklet containing sheets of laced card designs and attach it to the front of the greeting card with EZ runner.

2

Cut pieces of card for the greeting card. Make the long strip the same width as the greeting card.

3

Cut out a piece of laced card and a strip of plain card.

4

Assemble the parts and attach them onto the front of the greeting card. Apply glue dots onto the back of the laced card and not onto the actual greeting card.
