

A heart-shaped Wedding Place Card with a Puffy Sticker

Make your own simple but stylish place cards for your wedding by making cuts in a card heart and attaching it onto the glass. The heart is decorated further with a puffy sticker.

Inspiration: 15181

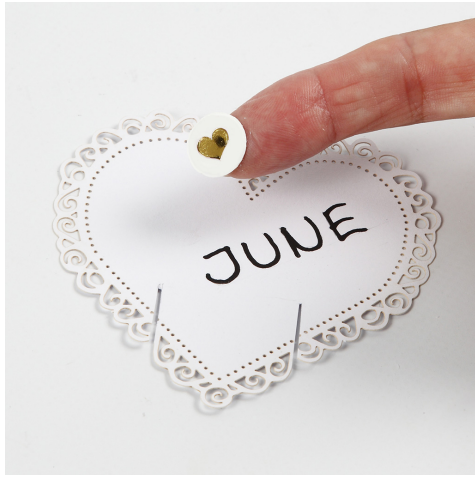

1

Measure 2 cm from the tip of the heart. Make a small cut in each side of the heart to make a narrow slot in the middle of the bottom edge of the heart.

2

Write name with a black marker pen on the right side.

3

Attach a self-adhesive puffy sticker on the left. Place the heart onto the rim of the glass.
