

A crocheted bath sponge from natural twine

Crochet a bath sponge from natural twine made from coarse flax.

- 1: Crochet 12 dc in a magic circle.
- 2: Turn around to crochet back. Always crochet back and forth when crocheting this sponge – never around in a circle.
- 3: Crochet 3 ch and crochet 4 tr in each of the 12 stitches.
- 4: Crochet – once again – 3 ch and repeat with 4 tr in each stitch until the end of the row.
- 5: Crochet another row beginning with 3 ch and then 4 tr in each stitch until the end of the row.
- 6: Push the crochet hook into the middle of the circle and crochet a dc around the circle.
- 7: Crochet 25 ch and finish by pulling the strand through the loop and weaving in the ends:

Abbreviations and symbols explanation:

ch = chain stitch

st = stitch

tr = Basic treble crochet
