Daisy Granny Square Shawl

Yarn requirements: 406 g 4/8 cotton yarn, divided into 306 g (6 g per Granny Square) and 100 g base colour (sand).

Crochet hook no. 3

The finished size of the shawl is 30 x 170 cm.

A total of 51 Daisy Granny Squares must be crocheted. The colour combination is chosen randomly. Change the colour – except the last round along the outer edge, which is always crocheted in the basic colour (sand).

How to crochet Granny Squares together

▶ Technique 6

Crochet the squares together with the base colour (sand).

For the best results, attach each square with a pin in the corner and iron with steam or a wet dishcloth before crocheting them together. You can also steam iron the finished crocheted shawl.

The shawl consists of 51 squares – 17 rows x 3 squares

7. Start with two squares and place them next to each other with the back facing down. Make 1 ss in the back loop of the stitch in the first ch in the corner spaces of both squares (the corner space consists of 2 ch, start in the ch belonging to the side you are crocheting together). Crochet 1 sl st. The two squares are now attached.
8. Continue with 1 sl st loosely in all loops of the stitches in both squares, making sure to crochet over the end of the yarn. Cut the yarn and fasten off the ends after each side is crocheted together.
9. Add another square and continue in the same way until the row consists of 3 squares. Crochet a total of 17 rows with 3 squares each.
10. Now crochet the rows together in the same way. Start with two rows of 3 squares and place them next to each other with the back facing down. Crochet the 3rd row together with the 2nd and continue until all 17 rows are crocheted together. Fasten off the ends.
11. Finish the shawl with 1 sl st in every s all around.
12. Cut the yarn and fasten off the ends.
